

Timestamp	This academy was useful to my professional learning.	Please provide feedback to the presenter(s) by letting him/her know what you liked about the Academy and/or what suggestions for improvement you might have.	What was your biggest take-away from this Academy?	What are your suggestions for future topics or presenters?
2022/03/02 12:00:42 PM CST	Strongly Agree	Real world tools!	Build relationships!	
2022/03/02 12:00:56 PM CST	Strongly Agree	I loved the many ideas! Thank you!	The 2 x 10 method!	
2022/03/02 12:01:04 PM CST	Strongly Agree	The first breakout session was a bit long; I feel like if that were more limited, we would have more time for content.	Never give up on the kids.	
2022/03/02 12:01:06 PM CST	Strongly Agree	Personal stories	Being relentless and not giving up	
2022/03/02 12:01:21 PM CST	Strongly Agree	I sincerely liked everything Dr. Parker presented. I just wish we had more time to discuss and didn't have to rush through.	That having a relationship mindset will positively impact school climate.	Just more time
2022/03/02 12:01:24 PM CST	Agree	liked the situations	passion for kids	timing wasn't long enough
2022/03/02 12:01:28 PM CST	Strongly Agree	Takeaway strategies to implement with students immediately.	2 x 10 method!	Further exploration/discussion Tier II/ Tier III interventions for behaviors.
2022/03/02 12:01:30 PM CST	Agree	I liked all of the strategies presented and the stories shared.	Teachers have the ability to make connections	
2022/03/02 12:01:52 PM CST	Strongly Agree	Dr. Parker was awesome!!	Being Relentless and empathetic towards student needs	Building strong relationships with staff
2022/03/02 12:02:00 PM CST	Strongly Agree	His energy and real perspective.	Don't give up! Perseverance...	
2022/03/02 12:02:08 PM CST	Strongly Agree	Great session! I would love to have some more reproducible materials in relation to Tier 3 behavior interventions. I loved the incentive plan with timelines.	The time that I do put into building relationships with kids will hopefully pay off in the end.	
2022/03/02 12:02:11 PM CST	Strongly Agree	I loved your examples for icebreakers, relationship building mindset, and solutions to behavior problems. Felt rushed towards the end.	All of it! Plan on using some of these strategies during conversations with teachers and during building wide PD!	
2022/03/02 12:02:16 PM CST	Strongly Agree	I loved the personal stories and relating them to the topic.	2x10 method; be relentless	I would love to take another academy from Dr. Parker
2022/03/02 12:02:21 PM CST	Strongly Agree	Many great suggestions to help.	Being relentless	
2022/03/02 12:02:25 PM CST	Strongly Agree	Loved the personal stories! Made me think of my personal life and how I can help my students out in my high school.	Building relationships is the key to success with at risk students!	
2022/03/02 12:03:20 PM CST	Agree	Personal stories were good to share.	We must be relentless with our challenging students.	
2022/03/02 12:03:37 PM CST	Strongly Agree	I loved the anecdotal stories and strategies and techniques to use with students and teachers.	Ideas to use for staff development.	None! Loved it!
2022/03/02 12:03:40 PM CST	Strongly Agree	Dr. Dons energy was contagious!	Having teachers being relentless!	The continual process of motivating teachers to never give up on a student!
2022/03/02 12:03:52 PM CST	Strongly Agree	Loved how upbeat Dr. Parker is!! Great academy!	Loved the quotes	I'd be interested in more from Dr. Parker
2022/03/02 12:04:03 PM CST	Strongly Agree	Great information. I enjoyed Dr. Parker gave us strategies to use right now with students.	Various strategies that could be used.	I would have liked to have more time. Maybe make this a 8:00 to 3:00p.m. training.
2022/03/02 12:04:05 PM CST	Strongly Agree	This was a great presentation, and the presenter had powerful energy throughout.	The 2x10 method, as well as the importance for engaging my staff in conversations about how to relate to challenging students.	N/A
2022/03/02 12:04:47 PM CST	Agree	The presentation offered valuable strategies you can start implementing right away.	My biggest take-aways were all of the strategies, like the 2X10, the EAR method, and real-life examples of how to work with our tier 3 students.	
2022/03/02 12:05:02 PM CST	Agree	I liked the energy and real examples that fit students at risk.	That we can not give up hope on kids. We must find ways to work together to wrap students with support.	MTSS
2022/03/02 12:06:32 PM CST	Strongly Agree	It was very affirming for me to be a part this training. There are a number of things that I am doing already. But there new strategies for me to add to my tool box which was awesome.	Be relentless and never give up. I have to model that for staff so that can see that it works.	Increased social emotional needs of both students and staff. The strategies to support them with that as education continues to change dramatically.
2022/03/02 12:08:54 PM CST	Strongly Agree	I enjoyed the active engagement	The EAR Method	The workshop was great!
